

# Shop for your prescriptions like you shop for everything else

## Know before you go

When you shop for a new car, you agree to the price before you agree to buy. Shouldn't you know your prescription price before you get to the pharmacy counter?

**Now you can.**

## Find your easy place

When you shop for a new house, it's all about location, location, location. So, why can't you choose the pharmacy you prefer and manage every prescription for you and your family in one easy place?

**Now you can.**

## Have a say in what you pay

You'd drive to another gas station if it meant a better price per gallon. So, why not shop around for the prescription prices and pharmacy services that fit your life?

**Now, you can.**

## myPrescriptive gives you the power to choose
